To whom it may concern,

After double blind review, we're glad to inform that the paper identified above is accepted for presentation and publication at ICAISG 2026. After registration and presentation, the paper will be published into conference proceedings.

2026 The 2nd International Conference on Artificial Intelligence Security and Governance (ICAISG 2026) will be held in **Hangzhou, China** during **November 20-22, 2026**. It is co-sponsored by **Hangzhou Normal University, China** and **IEEE**, hosted by **School of Information Science and Technology, Hangzhou Normal University, China**, assisted by Sino-France Joint Laboratory for Digital Media Forensics of Zhejiang Province, China. It aims to establish a global dialogue platform involving multiple stakeholders, promote the creation of an inclusive and balanced international governance framework, harmonize technical standards and regulatory policies, foster positive interactions between safety research and industrial innovation, and collectively guide AI technology toward trustworthy, reliable, and controllable development.

Accepted papers will be published into conference proceedings by IEEE after registration and presentation. The proceedings will be submitted for inclusion into IEEE Xplore and indexed by Ei Compindex & Scopus.

On behalf of the organizing committee, we cordially invite you to attend the conference and present the paper at ICAISG 2026. The conference program will be available in early November, 2026. Please refer to the registration procedures on next page to complete the registration **before September 25, 2026**.

We're looking forward to meeting you at the conference!

Yours sincerely,
ICAISG 2026 Organizing Committee
